AMERICAN LEGION AUXILIARY DEPARTMENT OF MISSISSIPPI GIRLS STATE FACT SHEET

American Legion Auxiliary Girls State: “I Was Blown Away by the Experience!”

Description: The American Legion Auxiliary Girls State program changes lives by bringing together dynamic young women for an intense week of leadership, patriotism and community enlightenment. The Girls State program is a proven leadership laboratory.

For the fictional self-governing state of Magnolia, delegates/citizens will elect their own leaders, write bills for debate and run a legislative session. In the process, these leaders—class presidents, top varsity athletes, artists, debate champions—dynamically engage with state representatives and senators. Two participants from each of the 49 states who hold a yearly session are selected to attend the elite American Legion Auxiliary Girls Nation in Washington DC in July, with an once-in-a-lifetime opportunity to meet the President of the United States.

Girls State is where the seeds of patriotism are cultivated in our nation’s finest high school girls, by women who care deeply about the future of America and take its leadership seriously. It is where future leaders realize their true potential!

“Girls State impacted my life and gave me newfound confidence to help my community and society,” said one former Girls State Citizen. “It influenced my career choices and my educational choices. The experience changed me dramatically.”

Objective: American Legion Auxiliary Girls State provides an opportunity for superior high school women who have completed their junior year to experience the “nitty gritty” of state government processes—the chance to live outside the text book. This program not only instills in its attendees a sense of pride and loyalty in America, but also prepares these women for a career in politics, public service, and excellence along their career path. It is the chance to plunge head-first into democracy, develop sharp leadership skills, and create the foundation for informed and responsible world citizenship.

“[After attending Girls State], I felt more empowered,” said one former Girls State Citizen. “I had the freedom to make choices for myself.”

GIRLS STATE FACT SHEET, PAGE 2

History: Since 1937, more than one million politically savvy young women have attended American Legion Auxiliary Girls State. Girls State has produced more successful women than any other girls' citizenship training program in the country.

Activities: Mock caucusing and debating of bills educate young women in the real state legislative processes. Each program is state-run and thus unique to the state in which it is held. Cutting-edge political topics ensure that the debates are relevant, lively and passionate. Fierce political campaigns are held to elect a Girls State governor, party officials, and pass legislation. Girls also have the opportunity to meet with some of their own state representatives and senators, who are genuinely interested in the fresh ideas of these future leaders.

"I still believe Girls State is the best program for young women," said a former Girls State Citizen. "It can change their lives as well as teach them about politics and their country."

In addition, ALA Magnolia Girls State offers these participation opportunities:

- Glee Club and *Alagista* staff (a "yearbook" of the delegates and events of the week)
- City project to be judged at the end of the week
- College Day with representatives from state universities and colleges
- Skit Night (each city will present a skit for competition) or Talent Show or other such activity

Scholarships: Girls State delegates may apply **online (only)** for the prestigious Samsung Scholarship, if she is a descendant of a United States wartime veteran. To apply, a copy of the veteran's DD-214 (or discharge papers) is required. One ALA Magnolia Girls State citizen is chosen from delegates who properly apply online as Mississippi's recipient (actual state scholarship award amount varies from year to year). Her application is then forwarded online to the National Headquarters of The American Legion to compete with 98 other students from across the country for one of seven \$20,000 scholarships.

Other scholarships will be available. These scholarships are provided by American Legion Auxiliary Units and American Legion Posts across the state.

As our host site, The University of Southern Mississippi will also offer each 2019 delegate a \$1,000 scholarship. However, this scholarship is only for those who plan to attend Southern Miss upon High School graduation and who are duly accepted according to the university admissions standards. Other state universities who also offer successful completion scholarships (\$1,000 one-time award for freshman year) include Miss. State, Ole Miss, and Delta State.

Staff and Guest Speakers: Local and state elected officials will be our guests during the week Magnolia Girls State to draw on their expertise to give the delegates a realistic view of government.

The program staff is made up of dedicated members/volunteers of the American Legion Auxiliary, Department of Mississippi. Senior and junior counselors reside with the delegates, one senior and two/three junior counselors per city, and supervise the delegates' activities throughout the week.

GIRLS STATE FACT SHEET, PAGE 3

Other Information: Three meals are provided daily at the university's dining facility. The 2019 session will be housed in a secure, modern dormitory complex at Southern Miss, near our meeting facility. Each floor of the dorm will constitute two or three cities, with a population of no more than 24 citizens each.

At ALA Magnolia Girls State, each delegate will share a dorm room with another delegate. Assignments are random, and care is taken that no delegate from the same local school is assigned in the same city, if possible. It is our desire that our delegates have the opportunity to meet others from different areas of the state. Friendships made at ALA Magnolia Girls State have proven to be lifelong and cherished.

The fee for each delegate to attend 2019 ALA Magnolia Girls State is \$250 and includes tuition, room/board, two city t-shirts and one set of pictures (one city/one large group). **No refund of applicant's fee will be made once received in the Department Office.** The delegate must notify her sponsoring Unit and/or the Department Headquarters at 601.353.3681 immediately, if she cannot attend, and an alternate may be submitted in her place for consideration.

An information packet will be emailed to the delegate once her application acceptance has been received at the Department Headquarters. Although time for recreation is planned, **ALA Magnolia Girls State is not a recreational camp.**

Citizens will not be allowed to leave the campus area assigned to ALA Magnolia Girls State. No visitors are allowed. Smoking, alcohol consumption and illegal drug use is strictly prohibited. Citizens driving cars to Southern Miss must turn in their car keys to their Senior Counselor at check-in.
